TRIP & EXCURSION

We live in a fascinating world-full of beauty and adventure. Tours and excursions form an essential part of our curriculum, for we firmly believe, "The world is a book, and those who do not travel, read only a page." The school organised a number of trips educational as well as recreational, for students and staff.

SPECIAL ASSEMBLIES

Moral values are like roots of a tree that strengthen and help children uphold humanity even in demanding times.

A well-planned system of class and house assemblies not only provided a platform to our students to showcase their talents but at the same time instilled in them the values which are the essence of life but sometimes in the race of progress they are ignored and forgotten.
